

# Hays Center Reopening Monday, July 13th

We are so excited to welcome our members back! Please help us keep you, our staff, and your fellow members safe by reviewing our new health guidelines.

- Staff members will be acting as health guards to ensure safety procedures are being followed.
- Markings and signage throughout the building will help you maintain safe distances and remind you of these new guidelines.
- Please communicate with our staff for more details and to discuss any concerns.
- The safer we are now, the sooner we can get back to a fully functioning recreational facility.  
Your cooperation is appreciated!

- Masks are mandatory, except when actively exercising.
- Everyone entering the building will go through a health screening process, including a temperature check.
- The building will be limited to 50 people to allow for physical distancing - 6 feet at all times, 12 feet when exercising.
- Admittance will be on a first-come, first-served basis and only through the main entrance.
- Please limit your stay to 90 minutes or less.
- Both pools and limited showers will be open. Pools will have strict capacity limits.
- There will be no scheduled group activities during Phase 1 (July 13th-July 27th).
- Many exercise machines will be available, though the walking track will not be to allow for spacing.
