I wanted to sincerely thank the City of North Little Rock for employing a Public Safety Officer in the Argenta area. I left the Hillary Clinton event at Verizon on Saturday and decided to walk to Crush with a couple girlfriends. As soon as we hit Main Street, the officer greeted us and asked where we were headed. He advised that it would be better to move our car to Main St than to walk from the block behind Main Street because parking is free and we would be safer. He then escorted us to our destination and pointed out the owner in case we needed anything. With all the stories you hear about crime in the downtown Little Rock and Hillcrest areas, I felt very safe walking around Argenta. Thank you for this wonderful service!

Sincerely,  
Kate Luck
