

**City Beautiful Commission Meeting Minutes  
May 16, 2016**

Attending: Gayle Fisher, Betsy Davies, Julie Richards, Joyce Brewer, Susan Langley, Becky Hight, Bubba Earnhart

Staff: Dan Scott

Guests: Nancy Leslie from Shady Valley neighborhood

The meeting came to order at 6 pm. A quorum was present.

A request from the Shady Valley neighborhood association was discussed. The request was for \$ 2,000.00 to beautify a common area of 800 square feet bordering 5 Mile Creek. The Commission verified that the money would be spent on planting the area not on clearing vegetation. Joyce Brewer made a motion to approve the application. Susan Langley seconded the motion, which passed unanimously.

A progress report from Cypress Crossing was accepted.

Staff informed the Commission that a purchase order from last year for greenhouse repairs for the NLR School District would not be needed. Staff will check with the Finance Department to see if the purchase order can be canceled and the money moved back into the CBC available fund balance. The purchase order was for \$ 3,923.00.

The meeting adjourned at 6:40.
